About the service

Do you want help with feeding your baby? We offer information and support to mums before and after they have had their baby. We can help you over the phone, meet you at a clinic, at one of the baby feeding drop-ins or visit you at home. Our team can help you with breastfeeding, bottle feeding, mixed feeding and expressing. This is a free service.

Pregnant? Baby under one?

Want to meet other mums at a friendly drop-in? Come along if you have any questions about feeding or if you just want to meet other mums and babies. Everyone is welcome.
